To All Our Friends, Customers, Regulars and Those Who Have Occasionally Been Asked to Leave

Thank you for all your support this past year helping us get through these terrible times. As always we have tried to accommodate our community and visitors as best we can. We're not rockin' like we used to. Hopefully you can celebrate with us in July 2022 for our 95th year at Rockaway Beach.

From the Gust Family and all of our staff, your loyalty, patronage and support are much appreciated.

Have a wonderful Thanksgiving. Hope to see you over the holidays.

All our best.

Please call for more information or reservations.
